*The submitting author will be notified via email if the abstract has been selected for oral or poster presentation.

Guidelines

* Abstracts are reviewed & graded in a blind fashion by SNS committee members.

* Persons submitting an abstract to the SNS Annual Meeting must be prepared to present their work at the meeting in person, or to send a co-author to do so. If your attendance is dependent on outside funding, please secure your financial aid before submitting your abstract or case. Abstracts cannot be withdrawn once accepted.

*If you are submitting multiple abstracts which get accepted, the presenting author must be different for each paper.

*The submitting author will be required to provide a disclosure of financial relationships AND provide complete disclosure of financial relationships for each co-author. Abstracts without full disclosure information will not be reviewed.

- * All abstracts, cases, and oral presentations must be provided in English.
- * By submitting an abstract for consideration, all authors agree to abide by the rules outlined above, and the conditions, deadlines, policies and decisions of the SNS.

Presentation Format

- * Abstracts accepted for oral (free paper) presentation must be presented in English in PowerPoint format. Oral presentations will also be published in the course program book.
- * Abstracts accepted for E-Poster will be available to course attendees on a CD or USB. E-Poster guidelines and other instructions will be sent with notification of acceptance.
