

Southern Neurosurgical Society

INCORPORATED

Support the Educational Mission of the SNS!

We all know the benefits of membership and participation in the Southern Neurosurgical Society. This group has successfully advanced the education and practice of neurological surgery in the Southern region for 67 years. Our Annual Meetings are always a memorable blend of cutting-edge research, new ideas, open discussion, and warm collegiality.

We are proud to announce that the SNS has established a Tax-Exempt Fund. The fund will be administered by the American Association of Neurological Surgeons (AANS) on behalf of the SNS. Your contributions will support the on-going mission and future educational activities of the SNS, including Ned Downing lectures, invited speakers, and CME content at Annual Meetings. Show your support today and help ensure a bright tomorrow for the SNS.

Send your contribution in the form of a check to:
